STRATEGIC VALUE+ / EVFS

YOUR BRAND. YOUR FLIGHT PLAN.

A proposed learning home for Eagle Flight Vertical Solutions and Part 107 pilots.

BUILT AROUND YOUR COURSES

PROPOSED EVFS WHITE-LABEL PACKAGE

$399 / month

- **UNLIMITED LEARNER ACCOUNTS**
- **UNLIMITED COURSES**
- **EVFS-BRANDED WEB EXPERIENCE**

DESIGNED FOR HOW EVFS TRAINS & GROWS

01 OWN YOUR BRAND

EVFS look and feel, branded portal and a custom-domain setup.

02 START WITH PART 107

Launch one flagship course, then bring over your wider catalog.

03 TEACH WITH CLARITY

Scope video lessons, knowledge checks, learner progress and records.

04 SCALE WITHOUT SEAT FEES

One proposed platform price for learner accounts and courses.

WHERE $399 SITS IN THE MARKET

Published month-to-month rates; included tools and limits are not identical.

PLAN	MONTHLY	PRICING CONTEXT
V+ / EVFS proposed	**$399**	Unlimited learner accounts + courses
LearnWorlds Learning Center [1]	**$299**	2,000 active learners / month
Thinkific Start [2]	**$109**	Unlimited courses; lower entry price
Kajabi Pro [3]	**$499**	Published monthly-billed price

A PRACTICAL PATH FOR EAGLE FLIGHT

Begin with your Part 107 course; validate the experience before bringing additional courses across.

NEXT STEP | Agree on launch scope, migration and veteran pricing.

Proposed package; not a representation of a live LMS. Features, migration, launch timing, support, storage and any veteran rate require a written scope and agreement.
